Spring Clean Up

Spring is approaching and maintenance will be doing the yearly spring clean up. Spring clean up is set for

May 6th from 8am-4pm. Flyers will be posted in the common areas of each property.

All of the items listed below belong in the trash....not down your toilet. Toilet paper is the only item that should be flushed. Just a friendly reminder from your maintenance team.

An overflowing toilet can ruin your home in an instant!
 Just a small amount of household waste flushed down the toilet (or dumped down the drain or garbage disposal) can clog pipes and cause nasty messes in your home, and expensive sewer backups in our City.
AVOID CLOGS BY KEEPING THIS STUFF OUT OF YOUR TOILET!

Did you know?
 "Flushable Wipes" are the biggest problem for sewer backups in our community. That's right, even if the package says "flushable," they should NEVER be flushed. They belong in the trash.

Flush ONLY toilet paper. Put trash in the trash can.
